What is 4-H?

4-H is an informal, practical, learn-by-doing educational organization for youth in grades K-13. In 4-H, youth design and participate in their own programs and activities. This unique learn-by-doing model teaches kids essential, transferrable skills that they'll use throughout their lives, such as problem solving, decision making, coping, communicating, and responding to the needs of others. Youth establish goals and work towards becoming competent, productive citizens. In 4-H, young people learn about and solve problems facing them and their communities. The knowledge and skills they acquire in 4-H opens the door to a lifetime of personal growth.

Where can I find more information on 4-H?

Visit us in the Martin County 4-H Fair Office located in the 4-H Section of the Bank Midwest Building or check out our website: www3.extension.umn.edu/county/martin.

You can also find us after the County Fair at our year-round office located in the Martin County Courthouse at 201 Lake Ave, Suite 104, Fairmont MN 56031, or call 507-235-3341.

MARTIN COUNTY FAIR – 4-H & FFA LIVESTOCK JUDGING CONTEST

Open to ALL 4-H and FFA members who are exhibiting ANY project at the County Fair.
(Need not be involved with a livestock project area to participate.)

Have you ever wondered why some animals get purple ribbons and others only white ribbons? This contest is for any youth interested in learning more about the livestock judging process. Youth who participate will have the chance to try their skills at ranking animals according to show standards.

The judging contest will be held on Sunday, August 19. Registration begins at 12:00 p.m., and the contest will begin at 12:30 p.m. There will be five (5) classes of animals: beef, dairy, sheep, goats, and swine. Participants will be divided into three divisions: beginner (grades 3-5); intermediate (grades 6-8); and senior (grades 9+). Cash prizes will be awarded to 1st through 5th place in each division.

Please note: One set of oral reasons will be optional for Beginning Level participants and required for Intermediate and Senior participants. The reasons class will be selected from one of the five species classes. Since the ability to give reasons is an integral part of the livestock judging process, there will be a chance at the end for participants not in this class to learn more about this important technique.

Support Martin County 4-H at the 4-H Premium Auction

4-H members invite you to support the Martin County 4-H program by participating in the 4-H Premium Auction on **Friday, August 17, 9:00 a.m.** at the Martin County Fairgrounds Livestock Arena. Auction Buyers are welcome to register for the Auction between 8:00 am and 9:00 am on Friday, August 17. You will have the opportunity to bid on champion and reserve champion general exhibits as well as blue ribbon and higher livestock exhibits. Projects will not be sold at the Auction, only the ribbons.

WHAT IS THE 4-H AUCTION?

The 4-H Auction is the culmination of a year of hard work and dedication for more than 300 4-H members. Your support helps reward their efforts. Through project work, 4-H'ers learn a number of valuable life skills and lessons, including:

- ✿ Value of good time management skills to meet their goals and responsibilities
- ✿ Importance of managing their own financial resources and making business decisions
- ✿ The value of teamwork, good sportsmanship, and competition

WHO IS IN THE 4-H AUCTION?

4-H'ers who have earned a specific ribbon award are allowed to participate in the 4-H Auction:

- ✿ General Exhibitors (e.g. Crafts and Fine Arts, Robotics, Quilting, Photography, and etc.) who receive either a Grand Champion or Reserve Champion Ribbon
- ✿ Livestock Exhibitors who receive a Grand Champion, Reserve Champion, Purple or Blue Ribbon.

Seventy percent (70%) of the premium will go to the individual youth to re-invest in future 4-H projects and thirty percent (30%) will be deducted from each auction entry for the continuation of the 4-H Federation to promote educational activities for all 4-H'ers in Martin County.

**This is your opportunity to help these young people celebrate their success and encourage them,
and others, to even greater heights of achievement.**

**Good luck & congratulations
to all the participants
& ribbon winners!**
