Dear Prospective 2023 Martin County Fair Sponsor,

Once again, we had an outstanding year for the 2022 Martin County Fair. The Martin County Fair will be in its **157th** year of bringing family entertainment to 40,000 plus people. We are one of the largest county fairs in the state of Minnesota and the board makes every effort to make each year a bigger and better fair.

We need your assistance to make your county fair an event to be proud of. The quality county fair we have in Martin County is not possible without contributions from businesses and individuals such as you. All park entertainment and some other attractions are free to all fairgoers. The 2023 fair will have the following entertainment line-up...

Tuesday night:	Great Frontier Bull Riding
Wednesday night:	Johnny Holm Band
Thursday night:	Lonestar
Friday night:	The White Sidewalls
Saturday night:	Restless Road

Enclosed is a copy of our sponsorship program. Please consider selecting one of the sponsorship levels and send a check to the address listed on the form or one of our committee members will call or stop to answer any questions. Thank you for your thoughtful consideration.
