Sunday Ranch Riding Classes: Junior & Senior Ranch Pleasure and Junior & Senior Ranch Riding

Horses may not be shown in this class with fake tails, banded or cropped manes, hoof black. Tack & Clothing should be void of silver and adornment, long sleeved collared shirt, jeans, western hat or helmet and boots. Chaps and spurs optional.

ABOUT THE RANCH HORSE RIDING CLASS: AQHA Introduced Ranch Riding classes with the purpose of the class to measure the ability of the horse to be a pleasurable ride while being used as a means of conveyance from performing one ranch task to another. The horse in this class should reflect the versatility, attitude and movement of a working ranch horse, simulating riding typically conducted outside the confines of an arena. The horse should be well-trained, released, quiet, soft, and cadenced at all gaits. The ideal ranch horse will travel with forward movement and demonstrate an obvious lengthening of stride at extended gaits. The horse can be ridden with light contact or on a relatively loose rein without requiring undue restraint, but not shown on a full drape of reins. The overall manner and responsiveness of the ranch riding horse to make timely transitions in a smooth and correct manner, as well as quality of the movement are of primary considerations. The ideal ranch riding horse should have a natural ranch horse appearance from head to tail in each maneuver.

ABOUT THE RANCH HORSE PLEASURE CLASS: Ranch Horse Pleasure is judged as a rail class that is designed to show the athletic ability of the ranch type horse without having the suitable footing for reining. Judging will be based on the walk, trot, extended trot, lope, extended lope, spin left or right, side pass, stop and back at the digression of the judge. Credit should be given to smoothness, finesse, attitude, quickness, and authority in performing the maneuvers when asked. Ranch pleasure horses will be judged on a forward movement and carry a natural head carriage.
